## RELAXED AND VERSATILE WITH FEATURES TO MATCH - COPELAND by Warwick

Casual yet classic, COPELAND is a soft, transitional upholstery plain that is versatile in nature with a multitude of technical characteristics. Featuring an array of colours that can be paired back with any patterned fabric, COPELAND is ideal for creating inviting, modern urban styles, as well as relaxed and commercial spaces.

- **DESIGN:** COPELAND is soft-touch and features a stonewashed look that creates a textured appearance, making it transitional and versatile. Its chenille yarn offers a plush, multi-tonal finish which is perfect for all upholstery applications such as large-scale sofas, or colourful cushions that are suited for a casual residential, or inviting commercial interiors.
- **APPLICATION:** With the added benefit of Halo easy-clean characteristics and FR testing, COPELAND's durable, washable and soft textured finish is ideal for creating comfortable upholstery and is also suitable for heavy commercial applications. Whether for a modern residential or cosy urban style, COPELAND offers comfort whilst being stylish.
- **COLOURWAYS:** COPELAND offers an array of 32 colours that are versatile and easily coordinated to suit any interior space. Trend colours such as Dusk, Brick and Hazel offer an assortment of deep and muted tones that sit beautifully in stylish interiors, while bright and bold hues of Sumac, Lagoon and Honey are perfect for adding invigorating pops of colour. For neutral options, Pumice, Marl and Granite embody tones found in nature.
- **RATING:** Heavy commercial with AS1530.3 fire rating, COPELAND is washable and has the added benefit of Halo easy-clean. An updated version of our classic Keylargo fabric, COPELAND is transitional and will sit effortlessly in any space.
