## A DISCOVERY OF TEXTURE & COLOUR FOR AN OUTDOOR EXPERIENCE – MCCRAE by Warwick

Infuse every outdoor moment with MCCRAE where the journey of texture and colour will create a beautiful holiday, home or outdoor escape to relax and enjoy.

- **DESIGN:** The art of living outdoors has been amplified with the MCCRAE collection, taking inspiration from Australian beaches and resort style holidays from around the world, contemporary design has been redefined with versatility and colour. A collection built using various stripe combinations, geometric pattern, textured and woven plains as well as the signature motif of MCCRAE, beautifully hand-designed in-house.
- **APPLICATION:** Outdoor spaces can become a personal oasis through use of MCCRAE's tactile finishes designed for use on larger furniture to smaller ottomans and cushions. The mix and match appeal of the range has endless opportunity for outdoor creativity with modernised woven boucle, two-tone botanical and basket weave, small-scale geometric and chunky cabana stripe.
- **COLOURWAYS:** The MCCRAE palette is a kaleidoscope of colour with 6 colour themes, from the timeless tones of black, grey and sandy beige to playful pinks and tropical reds. Island tones of green, blue and turquoise can create a traditional coastal setting or use zesty and energetic lime, yellow, orange for a vibrant burst of colour.
- **RATING:** SUNDEC is AS1530.3 fire rated and Oeko-Tex certified, including washable and Halo easy-clean benefits, this is a collection that is tested to last in the harsh Australian outdoor elements.
